This list serves to provide an overview of general price structures. Prices for intermediate services will be adjusted accordingly. Conversions of prices invoiced in other currencies than € are subject to the respective currency exchange rate. Absolute Zero ApS will adjust all prices, invoiced in foreign currencies, on a regular basis.

The background features a complex network graph on the left side, composed of numerous grey nodes connected by thin lines. On the right side, there are several concentric, semi-transparent circular patterns in shades of grey and light blue, resembling a stylized eye or a futuristic interface element. The overall aesthetic is clean, modern, and tech-oriented.
